

BEST WESTERN PLUS, BALLARAT SUITES

Brothers and Sisters

I have negotiated a discount and a code for our bookings the code is '**Round Up 21**' If all members quote this to the staff they will offer the discount which puts the rooms at.

\$150/night for Friday, Saturday and Sunday night or down to \$125 per night if you stay more nights. Regardless if they are upstairs or down stairs

Our hotel consists of
26 king rooms
13 upstairs and 13 downstairs.
With 7 rooms on each level being spa rooms.

The management has booked the entire complex out to ROUND UP 21 until Sep 30th 2021 then it will be opened back up to the public and normal rates will apply.

AS OF TODAY THE 7th OF JAN 2021 there are only 12 ROOMS LEFT

Each room has a king bed in it (which can be split into 2 king singles) and an option for a further 1-2 Guest with a fold out couch or rollaway bed.

Please don't hesitate to contact Christine. Please keep in mind that the above rates are only available when booking by phone on **03 5329 0200** or email direct to Best Western Main Rd Ballarat (ballaratsuites@bestwestern.com.au).

Ensure you address them to Christine. Again, ensure you mention '**Round Up 21**' to get the discount.

From the management.

If you see a better price we will match. I doubt that will happen however in some cases the odd deal pops up and we are happy to match that. Just need to see proof of the price.

We just want everyone to get the best deal possible.
