RU26 GENERAL RAFFLE

Please use the link below to purchase general raffle tickets. If you are unable to take these home on your bike the committee will make every attempt to help you get them home.

<https://www.raffletix.com.au/?ref=sg8bh>

As We chose to run the raffle in NSW and VIC and WA don't offer the options of 3 tickets for 10 dollars etc. VIC or WA policies are if 1 ticket is \$5 then 3 are \$15 etc.

The platform we chose is the most secure Australian site with minimal fees charged to the creator not the buyer.

As the management of the raffle is by the RU26 committee the purchasers address is not important only their email and phone number. To alleviate this please have your VIC and WA members to utilise below address in the areas depicted in the screen shot below.

Also to help with identification the name box allows for your first name and AKA or members can just use their AKA for their first name.
